Sing to Me

Will Butler

Oh, sing to me, sing to me
'Cause I'm tired, and I don't wanna talk no more
Oh, sing to me, sing to me
'Cause I'm tired like I've never been before
'Cause I'm tired, and I don't wanna talk no moreOh, sing to me, sing to me
'Cause I'm angry, but I don't wanna yell no more
'Cause I'm angry, but I've been very wrong beforeOh, yesterday's questions are still holding on
Yesterday's answers are begging for more time
But they can't tell me why, can't tell me whyOh, sing to me, sing to me
'Cause I'm so scared of what is waiting through the door
Oh, sing to me, sing to me
'Cause I'm so scared of all the friends I had before'Cause I'm lonely like I've never been before
'Cause I'm tired, but I don't wanna talk no more
