Cryin' Time

Nancy Sinatra

Well it's cryin' time again you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darling
That it won't be long before it's cryin' timeNow, they say that absent makes the heart grow founder
And that tears are only rain to make love grow
Well my love for you could never grow no stronger, no
If I'd live to be a hundred years oldOh, it's cryin' time again you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darling
That it won't be long before it's cryin' timeNow you say you found someone that you love better
Well that's the way it happened every time before
And as sure as the sun comes out tomorrow
Cryin' time will start when you walk out the doorOh, it's cryin' time again you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darling
That it won't be long before it's cryin' timeNow it won't be long before it's cryin' time
Ooh yeah
