

# Joystick (Re-Recorded / Remastered)

## Dazz Band

I'm your joystick  
I'm your joystick  
I'm your joystick  
Take control Come turn me on, get it on  
Baby, I'm your joystick  
Your joystick baby  
I can do anything that you want me to do...ooh ooh, yeah  
I can prove that love is just like a video game  
Just take control of a stick, of a stick, of a stick  
I'll let you play your game I know what you're looking for  
And all I want to do is score  
Yeah  
I just want you  
(I want you)  
To be my  
(To be my)  
Just take take control  
I'll let you play me all the time  
Take control of a stick, of a stick, of a stick
