

Banana Brain

Die Antwoord

[Hook: Yolandi]

Banana brains, you're the apple of my eye

Stay with me tonight

Cause I'm having the best time of my life

Banana brains, you're the apple of my eye

Stay with me tonight

Cause I'm having the best time of my life[Drop: Yolandi]

Made by God

Ninji[Verse 1: Ninja]

Baby girl, you're so fine

So, so fine, you blow my mind

Look at you, coochie coo

Juicy, tushy, gushy, goo

Boobie one, boobie two

Bouncing like a Looney Tune

Booty boomin', cookie juice

Gushin' out your coochie, boo

You're so cute, like Pikachu

Ain't no one so sweet like you

I whistle then you sneak into

My lonely heart like peek-a-boo

Now every time I think of you not by my side I dry my eyes

I just wanna sing lullabies to my little butterfly[Hook: Yolandi & Ninja]

Banana brains, you're the apple of my eye

Stay with me tonight

Cause I'm having the best time of my life

Banana brains, you're the apple of my eye

Stay with me tonight

Cause I'm having the best time of my life

Turn up!

Banana brains, you're the apple of my eye

Stay with me tonight

Cause I'm having the best time of my life

Banana brains, you're the apple of my eye

Stay with me tonight

Cause I'm having the best time of my life[Bridge: Yolandi]

Baby boy, you so cool

How can I stay mad at you?

I love you and that's the truth

You so silly, you so stupid
You the best
I never want you to stress
Everything gonna be cool
Wait and see
Just hold my hand and stay with me[Verse 2: Ninja]
B-B-Baby girl, you been there for me
Through thick and thin with cool energy
You cared for me, yeah, defended me
Helped me defeat my e-e-enemies
Life's weird it keeps testing me
No other girl in the world impressing me
You like Yudu, you voodoo fresh to me
You just wanna be different
Get the best of me
It was meant to be
You were sent to me
You and me got wild destiny
You're like a little angel won't ever pressure me
E-e-everything you do is so Zef to me
I love it that you best friends with me
Just wanna treat your heart carefully
Cause everyday I feel blessed to be
The boy chillin' with you right next to me[Hook: Yolandi]
Banana brains, you're the apple of my eye
Stay with me tonight
Cause I'm having the best time of my life
Banana brains, you're the apple of my eye
Stay with me tonight
Cause I'm having the best time of my life[Refrain]
Stay with me tonight
Stay with me tonight
Stay with me tonight
Cause I'm having the best time of my life[Outro]
I love your energy! (the best time)
I love it that you're there for me! (the best time)
Everything is meant to be! (the best time)
Baby, you were sent to me! (I'm having the best time of my life)
I love your energy!
I love it that you're there for me!
Everything is meant to be!
Baby, you were sent to me!
I love your energy!
I love it that you're there for me!
Everything is meant to be!

Baby, you were sent to me!
