Devil Digger

Judas Priest

Advisory - the following lyrics contain explicit language:

I was cross wired underground
Nothing seemed to fit
I was fried and memory bound
Then it came to meDevil digger
UnforgiverI was on a different plane
He said, "Come to me"
Laid his hands upon my brow
That's the last of meDevil digger
UnbelieverDon't be sorry
It's no disgrace
But never worry
You have no faithDeath's not final so we're told
Words are so profound
Who the hell wants to get old
Ask in the final hoursDevil digger
UnforgiverSee him coming
He has no face
You must stop running
You must have faithI don't want to fade away
I don't want to fade away
I don't want to fade away
I don't want to fade away
