

It's All Over Now

[Molly Hatchet](#)

Well, baby used to stay out all night long
She made me cry, she done me wrong
She hurt my eyes open, that's no lie
Table's turning, now her turn to cry Because I used to love her but it's all over now
Because I used to love her but it's all over now Well, she used to run around with ev'ry man in town
Spent all my money playing a high class game
She put me out, it was a pity how I cried
The table's turned and now, her turn to cry Because I used to love her but it's all over now
Because I used to love her but it's all over now Well, I used to wake up in the morning, get my breakfast in bed
When I gotten worried, she could ease my aching head
But now she's here and there with ev'ry man in town
Instead of trying to take me for that same old clown Because I used to love her but it's all over now
Because I used to love her but it's all over now
Because I used to love her but its all over now
