

Against All Odds (Intro)

Do or Die

I want you to understand tonight The ? is not coming back
This is the war of all wars we will make peace at the end but right now we have to do what we have to do make
no mistakes about it what we are coming for is more than you could ever Imagine Stand up Chicago Stand up
we will show the worlld where we stand right now nobody ever thaught we would come this far but now we are
hip we are hip so I want yall to rembertonight with your last breath we cannot access defeat Its ? or nothing
there are no options so get Ready Get Ready If god is with you who could be against you
