

# So Long

**Fats Domino**

So long, don't where I'm going  
But so long, you know you done me wrong  
So long because I know I'm not the one Goodbye, please tell me why  
Goodbye, you always make me cry  
Oh, why, why are you never satisfied? So long, I'm all packed up and on my way  
So long, you'll need me some old sunny day  
So long, yes, I'm, I'm going to stay
