

# California Dreaming

## Mekkanikka & Vibraddict

All the leaves are brown and the sky is gray  
I've been for a walk on a winter's day  
I'd be safe and warm if I was in L.A.

California dreaming on such a winter's day  
Stopped in to a church, I passed along the way  
Well, I got down on my knees and I pretend to pray  
You know the preacher likes the cold  
He knows I'm gonna stay

California dreaming on such a winter's day  
All the leaves are brown and the sky is gray  
I've been for a walk on a winter's day, yeah  
I'd be safe and warm if I was in L.A.

California dreaming on such a winter's day California dreaming on such a winter's day

California dreaming on such a winter's day  
California dreaming on such a winter's day

California dreaming on such a winter's day California dreaming on such a winter's day  
California dreaming on such a winter's day  
California dreaming on such a winter's day  
California dreaming on such a winter's day  
California
