

# Butterfly

## Ataris

Yesterday I went outside  
With my momma's mason jar  
Caught a lovely butterfly  
When I woke up today  
Looked in on my fairy pet  
She had withered all away  
No more sighing in her breast  
I'm sorry for what I did  
I did what my body told me to  
I didn't mean to do you harm  
Every time I pin down  
What I think I want it, slips away  
Her ghost slips away  
Smell you on my hand for days  
I can't wash away your scent  
If I'm a dog then you're a bitch  
I guess you're as real as me  
Baby, I can't live with that  
Baby, I need fantasy  
Life of chasing butterfly  
I'm sorry for what I did  
I did what my body told me to  
I didn't mean to do you harm  
Every time I pin down  
What I think I want it, slips away  
Her ghost slips away  
I told you I would return  
When the robin makes his nest  
But I ain't never coming back  
I'm sorry, I'm sorry, I'm sorry
