

It's Alright

Shania Twain

Nothing's better than spending time together

Hangin' 'round

Wish it was forever, love and sunny weather

Shinnin' down

Ooh, you're my lover

There's no other, yeah

Friends like me and you

Can share a little lovin' too

And it's alright

We're gettin' it together every night

Makin' every minute very right

Lovin' everything we feel, yeah

And it's so good

Doin' all the things we never could

Even if we're not sure that we should

Together it's you and me, yeah

Buildin' sandcastles, bein' little rascals

Havin' fun

Playin' on the beach just stayin'

Outta reach of everyone

Ooh, let's forever

Stay together, yeah

Let's keep what we got forgettin'

What we ought to do

And it's alright

We're gettin' it together every night

Makin' every minute very right

Lovin' everything we feel, yeah

And it's so good

Doin' all the things we never could

Even if we're not sure that we should

Together it's you and me, yeah

And it's so nice

We're gettin' it together every night

Makin' every minute very right

Lovin' everything we feel, yeah

And it's so good

We're doin' all the things we never could

Even if we're not sure that we should
Together it's you and me, yeah
And it's alright
We're gettin' it together every night
Makin' every minute very right
Lovin' everything we feel, yeah
And it's so good
Doin' all the things we never could
Even if we're not sure that we should
Together it's you and me, yeah
