

# 2gether

## vanilla

We can get together  
Now I don't usually do this  
But I ain't myself tonight  
I wanna drink a lil mo, mo  
Forget it all, all

And dance till I'm dead, dead, dead on the floor (floor)

E-every one must shine together tonight, tonight, tonight, tonight, tonight, tonight [2x]

I-I-I been partying my whole life  
But something feels different tonight  
I been buzzin' my whole life  
But something bout you buzzin' me right (right)

Yo

This is club is goin' crazy  
You've got me goin' crazy  
This dj's goin crazy  
And now I'm elevated  
We havin' fun in here  
So hands up in the air  
We havin fun in here

So get your hands up in the air  
Now I don't usually do this (this, this)  
But I ain't myself tonight (night, night)

I wanna drink a lil mo (mo)

Forget it all (all)

And dance till I'm dead, dead, dead on the floor (floor)

E-every one must shine together tonight, tonight, tonight, tonight, tonight, tonight [2x]

I-I-I been lovin' my whole life  
But somethin' feels different tonight  
I been jumpin' my whole life  
But you got me jumpin' tonight  
Yo

This is club is going crazy  
You've got me goin' crazy  
This dj's goin' crazy  
And now I'm elevated  
We havin' fun in here  
So hands up in the air  
We havin' fun in here

So get your hands up in the air (air, air, air...)  
    Tonight I don't care  
    We waited all year  
    Everyone shine  
    Get yo hands in the air  
    [2x]Tonight I don't care  
    Get yo-g-g-g-get yo hands in the air  
    Everyone my shine together tonight [2x]  
    Tonight tonight tonight tonight tonight.....
