

# Walk On

U2

And love  
Is not the easy thing  
The only baggage  
That you can bring  
And love is not the easy thing  
The only baggage you can bring  
Is all that you can't leave behind And if the darkness is to keep us apart  
And if the daylight feels like it's a long way off  
And if your glass heart should crack  
And for a second you turn back  
Oh no, be strong Walk on  
Walk on  
What you got, they can't steal it  
No they can't even feel it Walk on  
Walk on  
Stay safe tonight You're packing a suitcase for a place  
None of us has been  
A place that has to be believed  
To be seen You could have flown away  
A singing bird  
In an open cage  
Who will only fly  
Only fly for freedom Walk on  
Walk on  
What you got  
You can't deny it  
Can't sell it or buy it Walk on  
Walk on  
You stay safe tonight And I know it aches  
How your heart it breaks  
You can only take so much Walk on  
Walk on Home  
Hard to know what it is  
If you never had one Home  
I can't say where it is  
But I know I'm going Home  
That's where the hurt is And I know it aches  
And your heart it breaks  
You can only take so much

Walk onLeave it behind  
You've got to leave it behindAll that you fashion  
All that you make  
All that you build  
All that you breakAll that you measure  
All that you feel  
All this you can leave behindAll that you reason  
It's only time  
And I'll never fill up all my mindAll that you sense  
All that you scheme  
All you dress up  
And all that you seeAll you create  
All that you wreck  
All that you hate
