

# Motel Cowboy Show

## Reckless Kelly

Hey, ol' lady, let's go to the Motel Cowboy Show  
We'll drink and dance, there's no place else to go  
We'll stay out all night long, we'll toast the break of dawn  
Hey, ol' lady, let's go to the Motel Cowboy Show Well, they rolled one for the road, put on the same dirty ol'  
clothes  
Down the trail they rode to the Motel Cowboy Show  
Well, they parked at the end of the line underneath the cold beer sign  
It's a long long way to ride without your whiskey and your wine  
Something stronger would be fine, something stronger would be fine I said hey, ol' lady, let's go to the Motel  
Cowboy Show  
We'll drink and dance, there's no place else to go  
We'll hang out all night long, we'll toast the break of dawn  
Hey, ol' lady, let's go to the Motel Cowboy Show Well, they walked through the swingin' doors  
Through the sawdust on the floor  
Everybody was ready to go at the Motel Cowboy Show  
Well, they've been all over the land, not bad for a honky tonk band  
Well, it's a long hard hill to climb when you're so far ahead of time  
And you've never seen a dime, you're so far ahead of your time Hey, ol' lady, let's go to the Motel Cowboy  
Show  
It's late but there ain't nowhere else to go  
We'll hang out all night long, we'll toast the break of dawn  
Hey, ol' lady, let's go to the Motel Cowboy Show Well, the doses soon kicked in  
And the fun would soon begin, the fun would soon begin  
And the world did a great big spin  
Ooh, baby, it's fun, it ain't no sin I know you well, you don't remember, we partied way back in November  
Of 72 or was it 73, I know you well, you don't remember me  
All the faces changed and the room went round  
What a mystic place, what a mystic sound Well, they rolled one for the road and they candied up their nose  
Down the trail they rode to the Motel Cowboy Show Hey, ol' lady, let's go to the Motel Cowboy Show  
We'll drink and dance, there's no place else to go  
The boys are in their prime, we'll see 'em one more time  
Hey, ol' lady, let's go to the Motel Cowboy Show
