

Forget You

Vains of Jenna

What went on last night?
Was it just another stupid fight?
Will we be again
Or will we both regret this in the end?
Why can't I forget you and everything you do?
It's so hard to do
Why can't I forget you and everything you do?
It's so hard to do
Consider me your friend
Until you do that stupid shit again
I believed all you told
And you left me hanging out so cold

Why can't I forget you and everything you do?
It's so hard to do
Why can't I forget you and everything you do?
It's so hard to do
Why can't I forget you and everything you do?
It's so hard to do
Why can't I forget you and everything you do?
It's so hard to do
Why can't I forget you and everything you do?
It's so hard to do
