The Martinis

Omnipresent phrase in my mind
Spoken word I've said one million times
Who are you to tell me it'll always be this way
I close my eyes and I turn around
And leave it all behindSo free for the moment
Lost somewhere between the earth and the sky
So free for the moment
Lost because I wanna be lost
Don't try to find meAlways try to breeze through my life
Repetitious things I've done one million times
Who are you to tell me that I'll always be this way
I close my eyes and I turn around
And leave it all behindWhat could I do
It's not such a terrible thing
What would you do
It's not such a terrible thing
