## Matana Roberts

Yeah yeah yeah ah  
You see a man's face  
But you don't see his heart  
You see a man's face  
But you will never know his thoughts

Everywhere you go  
There's a man to say love  
Never neither never neither  
Take it to heart

For your heart is your heart  
And your thoughts is your thoughts  
Never mix love with hatred

You see a man's face  
You will never see his heart  
You see a man's face  
But you will never know his thoughts  
You see a man's face  
You will never know his thoughts  
You see a man's face
