# You Don't Know

## Tamar

Sorry, but you just can't seem to give me
What I need in my life, yeah
Can't you see that the only thing I want
Is longevity, ohh, yeah, ohh, yeah, yeah
I'm not in the mood to waste my time
So I'll tell you what's on my mind
'Cause you can buy me things
You can buy me things
You can send me on trips
But you can't give me love
You don't know what it is
You can send me roses
Send me out on the town
But you can't show me love
You don't know what it is
Sorry, but material things don't mean to me
What you think, no, no, no, no
But what a woman needs, yeah
Someone that'll take the time to get to know me, yes, I do, yeah, ohh, yeah
I'm not in the mood to waste my time
So I'll tell you what's on my mind
'Cause you can buy me things
You can buy me things
You can send me on trips
But you can't give me love
You don't know what it is
You can send me roses
Send me out on the town
But you can't show me love
You don't know what it is, ooh
You can buy me things
You can send me on trips
But you can't give me love
You don't know what it is
You can send me roses
Send me out on the town
But you can't show me love
You don't know what it is
You can buy me things

You can send me on trips
But you can't give me love
You don't know what it is
You can send me roses
Send me out on the town
But you can't show me love
You don't know what it is
