# Killin' Kind

## Shelby Lynne

I didn't mean to hurt your feelings
It was so careless of me
I guess I've gone and done it
just a matter of times
Nothin' I can do but tell you I'm sorry
And that's the hardest part of all'cause your love's the killin' kind
Your love's the killin' kindI'd rather walk on glass
Than see teardrops in your eyes
And I'd fall to pieces just to hold you
The best thing in my life
It's just luck I get to love you
You're the one thing that's right
You're the light in my hell's darkness!'cause your love's the killin' kind
Your love's the killin' kind
Oh, yeahI, I just might cry now
Die, lay down and die now
Why, 'cause you've done it to me
You're puttin' me underI close my eyes and I sit under the sky
I love you and all is pleasure
Baby, it feels so right
My arms won't be any use at all
If I can't hold you'cause your love's the killin' kind (killin' kind)
Your love's the killin' kind (killin' kind)
Your love's the killin' kind (killin' kind)
Your love's the killin' kind (killin' kind)
Oh, yeahI'm dyin' baby
Ooh, I'm dyin', darlin
Just want to say I'm sorry
Oh, I'd do anything
Anything!
Oh!
Yeah!
Don't leave me, darlin!
Oh!
Ooh, don't leave me baby
I'm dyin' for you baby
You're killin' me baby
