Wait A Minute

[Status Quo](#)

Wait just a minute, that's all you ever say
Wait just a minute, you say it every day

You gotta comb your hair
Find a dress to wear
Before you go anywhere

I say to myself, Why cause a scene?
She's so long, I've read my magazine

You gotta comb your hair
Find a dress to wear
Before you go anywhere

Wait just a minute, that's all you ever say
Wait just a minute, you say it every day

You gotta comb your hair
Find a dress to wear
Before you go anywhere

I say to myself, Why cause a scene?
She's so long, I've read my magazine

You gotta comb your hair
Find a dress to wear
Before you go anywhere
You gotta comb your hair
Find a dress to wear
