Kiss My Ring

Frank Black

If you knew what Ive forsaken
Have you seen me in my gown?
Heavy head that wears the crown
Spilled my seed upon the groundGo tell on the mountain
If you think Im mistaken
Bathe here in the fountain
With the accountantKiss my ring, I am the greatest
Kiss my ring, now let it linger
Kiss my ring, now heres the latest
Kiss my ring, the magic finger
Kiss my ring, kiss my ringGo tell on the mountain
If you think Im mistaken
Bathe here in the fountain
With the accountantKiss my ring, I am the greatest
Kiss my ring, now let it linger
Kiss my ring, now heres the latest
Kiss my ring, my magic finger
Kiss my ring, kiss my ring
Kiss my ring
