

Two Hands, One Heart

Don Moen

What can i give
What can i bring
That would be pleasing to my King
I'll give my heart
Not just a part
Im lifting up my everything

CHORUS:

Well its all i have to offer and its all i have to give
Two hands one heart
One life to offer You
Two hands one heart thats what i give to You

Use me today i know You can
Lord i surrender to Your plan
You made this heart, You made these hands
Take me and use as i am

REFRAIN:

Liittle becomes a lot
When its in Your hands
Take me and make me more like You
Well it may seem like much
But with the Master's touch
I know that i'll be more like You

I have two hands one heart one life to offer You
Two hands one heart thats what i give to You
Two hands one heart one life to offer You
Two hands one heart thats what i give to You
Thats what i give to You.....
