

Senorita

Inna

Come on senorita, I wanna feel your rhythm
I wanna see you dancing, so come into my room
Give me satisfaction and positive reaction
I'm feeling the attraction, so come into my room Singing la la la la (x3)
Singing oooo Singing la la la la (x3)
Singing oooo Music makes me lose control (x2) Come on senorita, I wanna feel your rhythm
I wanna see you dancing, so come into my room
Give me satisfaction and positive reaction
I'm feeling the attraction, so come into my room Singing la la la la (x3)
Singing oooo Singing la la la la (x3)
Singing oooo Music makes me lose control (x2) Singing la la la la (x3)
Singing oooo Singing la la la la (x3)
Singing oooo Music makes me lose control
