[VaShawn Mitchell](#)

Lord You reign, reign forever
Lord You reign forever more
Lord You reign, reign forever
Lord You reign forever more The angels bow down at the thought of You
In adoration of Your greatness and truth
The earth trembles and the heavens proclaims
Your royalty all power is in Your name Lord You reign, reign forever

Lord You reign forever more The angels bow down at the thought of You
In adoration of Your greatness and truth
The earth trembles and the heavens proclaims

In adoration of Your greatness and truth
The earth trembles and the heavens proclaims
Your royalty all power is in Your name The angels bow down at the thought of You
In adoration of Your greatness and truth
The earth trembles and the heavens proclaims
