Out Of Control

Rancid

Let's Go!
The prophet speaks his language, reeks,
Survival dormant, schemes and sneaks,
His blood is weak, he's an oil sheik,
Information leak, operations wait.
There's no security in the battlefield,
No Armageddon strength, no human shields,
A brand-new country, they're gonna build,
One more riot this I will.
Stay out of control!
It's out of control!
Stay out of control!
We're outta control, we're outta control, we're outta control, we're outta control!

Chopped-up waste in the (???)
Pick up your shovel, do what you're told,
The (probe?) is on the (???)
To the middle of nights, to the middle of homes.
Well, I'm done joking, are you a miss?
Deliberate line and recklessness,
Don't keep questioning the ims,
Resist, resist, resist, resist!
Stay out of control!
It's out of control!
Stay out of control!
We're outta control, we're outta control, we're outta control, we're outta control!
