Oh my love
Did they tell you
Just how long a time
It took for me to get to you
And when the world
Said it's impossible
Said it's improbable
The chances of me finding youPre-chorus:But nobody knows
How we go
When we're alone
It's like we're home
My bones are safe
And my heart can rest
Knowing it belongs to youMy world is changed
And it's cradled by
The comfort that is youOohOh my love
My head is reeling
And I am running out of air
I need to breathe in
I didn't know
That it was possible
To put all that I am
In the palm of your hand
Now we're unstoppablePre-chorus:
But nobody knows
How we go
When we're alone
It's like we're homeBut nobody knows
How we go
When we're alone
It's like we're home
