

# That Girl

David Choi

Oh, tonight I'm feeling fine  
I'm alone, just wasting time  
No Friday movie nights  
Or romantic candle lights I'm just having conversations  
With the thoughts in my head  
All I hear are angels crying  
Oh, won't they just sing instead  
It would be wrong for me to say I don't need that girl by my side  
I don't need that girl in my life  
I don't want to talk it out  
Or hold her when she cries I don't want to say she's my kind  
I don't want to say that she's mine  
I don't want to tell her that  
I love her more than life  
More than life, Yeah  
Love her more than life  
Yeah, yeah, yeah Honestly, this won't do  
How is she doing?  
I tell myself I'm feeling swell  
But I know I'm such a fool I could take it as a new beginning  
But you know I don't feel that way  
Who will take all this pain away?  
I know it's wrong for me to say  
I don't need that girl by my side  
I don't need that girl in my life  
I don't want to talk it out  
Or hold her when she cries I don't want to say she's my kind  
I don't want to say that she's mine  
I don't want to tell her that  
I love her more than life  
More than life, Yeah  
Love her more than life  
Yeah, yeah, yeah Talk about a sin  
Was the day I walked into the other side  
I would run back in  
I wouldn't waste no time  
I know it's wrong for me to say I don't need that girl by my side  
I don't need that girl in my life  
I don't want to talk it out

Or hold her when she cries I don't want to say she's my kind  
I don't want to say that she's mine  
I don't want to tell her that  
I love her more than life  
More than life, Yeah  
Love her more than life  
Yeah, yeah, yeah
