

# Little Man (Marcus Intalex Remix)

## Little Dragon

You grew high, taller than the middle class  
Boy, cash running in your pockets  
You skate high, gold on your fingertips  
They try to make people nervous, ohSomething missing in your smile  
Something missing in your soul  
Are you suffering the blues?  
Tell me why, tell me when, tell me why, when, yeahGreen dollar bills slipped your hand, little man  
Anything you want'll come instantly.  
Boy, when the plan slipped your hand, little man  
Anything you want'll come instantly.Castle, house, cars and the ladies  
Blues, no doubt, got you feeling empty  
Your bank's packed to edge and still you're sadSomething missing in your smile  
Something missing in your soul  
Are you suffering the blues?  
Tell me why, when, why, whenGreen dollar bills slipped your hand, little man  
Anything you want'll come instantly.  
Boy, when the plan slipped your hand, little man  
Everything you want'll come instantly.
