Hunger

Tropics

Could I get the things I wanted,
You made me feel like i've just lost it
Oh it's?Could I change the things that stopped it
How did I get to feel so helpless
Oh it's heavy on meGo ahead and speak the truth
there's no mistake telling you
that I need to know
(I believed you in the first part)
Oh let me learn x8Maybe I haven't notice
You run away just like my luck damn
Oh you told me to trust it
I didn't feel like when we left it
Go ahead and speak the truth
there's no mistake telling you
that I need to knowOh let me learn x8
