

Risk (Mr. Bill & Itsu Remix)

Deftones

You can't talk
I'm anxious
I'm off the walls
I'm right here just
Come outside
And see it
But pack your heart
You might need itI'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for youYou're locked up
You exhaled
You did it before
And I seen it
Come outside
And breath in
Relax your arms
And let me inI'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for youI know what to say to take you
Higher, higher
No one else can take you higher
But I will tryI'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for youI'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for youFor you
