

Anytime At All

Ali Campbell

Any time at all, any time at all
Any time at all, all you've gotta do is call and I'll be thereIf you need somebody to love
Just look into my eyes
I'll be there to make you feel rightIf you're feeling sorry and sad
I'd really sympathize
Don't you be sad, just call me tonightAny time at all, any time at all
Any time at all, all you've gotta do is call and I'll be thereIf the sun has faded away
I'll try to make it shine
There's nothing I won't do
When you need a shoulder to cry on
I hope it will be mine
Call me tonight, and I'll come to youAny time at all, any time at all
Any time at all, all you've gotta do is call and I'll be thereAny time at all, any time at all
Any time at all, all you've gotta do is call and I'll be there
Any time at all, all you've gotta do is call and I'll be there
