

Playa Fa Sho'

Toby Love

Ven toma asiento... Te quiero decir
Que ya tus juegos... No son para me (No!)
Sabia de un principio que mentias y por eso cambie
Sabia que vendrias a pedirme perdon (Y asi fue!)[Bridge:]
Ya no soy igual todo cambio (Nooo...)
La luz de este amor ya se fundio (Ohoooo...)[Coro:]
Quien loco playa, playa fa sho' (Playa fa sho')
You're dealing with a pimp, I'm a pro (Pimp, I'm a pro)
Gave you more than enough, kept you iced out you loved it
Now that it's done no more fuss, girl I've been there and done itShhh!
Shut it up!
Lemme let you know whats on my mind
Give it up! (Give it up!)
What we had was all of waste of time (Oh my)
No pida remedio, esto no se va'a reglar
Yo soy bandolero no me vaya a provocar[Bridge:]
Ya no soy igual todo cambio
La puerta de este amor ya se cerro[Coro:]
Quien loco playa, playa fa sho' (Playa fa sho')
You're dealing with a pimp, I'm a pro (Pimp, I'm a pro)
Gave you more than enough, kept you iced out you loved it
Now that it's done no more fuss, girl I've been there and done itQuien loco playa, playa fa sho' (Playa fa sho')
You're dealing with a pimp, I'm a pro (Pimp, I'm a pro)
Gave you more than enough, kept you iced out you loved it
Now that it's done no more fuss, girl I've been there and done itHe he ha! I told you I was coming!.. Toby
Love... You know...Now that I've changed 'cause of your games
I'll give you back all my heart-ache and pain
(Ya basta dejame girl, en esto gano yo)[Coro:]
Quien loco playa, playa fa sho' (Playa fa sho')
You're dealing with a pimp, I'm a pro (Pimp, I'm a pro)
Gave you more than enough, kept you iced out you love it
Now that it's done no more fuss, girl I've been there and done itQuien loco playa, playa fa sho' (Playa fa sho')
You're dealing with a pimp, I'm a pro (Pimp, I'm a pro)
Gave you more than enough, kept you iced out you love it
Now that it's done no more fuss, girl I've been there and done it
