Cocaine Blues

Nick Drake

Come, my baby
Dressed in white
Hey, baby
Won't you stay the nightCocaine
All around my brainCome, my baby
Dressed in red
Hey, baby
Won't you come to bedCocaine
All around my brainHey, baby
Won't you please come quick
This old cocaine
Is making me sickCocaine
All around my brainCome, my baby
Dressed in green
Hey, baby
Can't be seenCocaine
All around my brainHey, baby
Won't you please come quick
This old cocaine
Is making me sickCocaine
All around my brainCocaine
All around my brain
