Future

Dark Marzal on me I'm just honest
Rock star my swag I'm just honest
Everything exotic I'm just honest
Gold all on my neck I'm just honest
Yeah, I'm just honest
We got the club on smashName another nigga hot I'm just honest
Gold bottles on bottles, I'm just honest
A hundred thousand on watches I'm just honest
Coupes all on coupes, I'm just honest
I keep a gang of bad bitches with me too
And we ain't never going back to what we used to do
I was gon' lie to you but I had to tell the truth
I'm just being honestMy piss coming back dirty, I'm just being honest
Got bitches kissing on bitches, I'm just being honest
I'm a rock star for life, I'm just being honest
Got a check on me right now, I'm just being honest
We done turnt up in Platinum, then we gon hit Onyx
Ain't nothing but a dope boy, I'm just being honest
These niggas get shot for being honest
I fucked her on the spot, I'm just being honest
I'mma stack it til it rot, I'm just being honest
And I'm driving foreign coupes, dash two hundred
Live a rich nigga life, I'm just being honest
Real street nigga ain't get nothing but pain from itName another nigga hot I'm just honest
Gold bottles on bottles, I'm just honest
A hundred thousand on watches I'm just honest
Coupes all on coupes, I'm just honest
I keep a gang of bad bitches with me too
And we ain't never going back to what we used to do
I was gon lie to you but I had to tell the truth
I'm just being honestGot crack all in my draws, I'm just honest
My diamonds ain't got flaws, I'm just honest
These Zoes on sight niggas, I'm just honest
We can ball all night nigga, I'm just honest
You fuck nigga y'all don't even know struggle
You ain't even know why a nigga out here hustling
Got flat screens in the trap spot, I'm honest
Kept it real with all you niggas, I'm just too honest
Took some bitches out the strip club, I'm just honest

To the niggas all out in the hood, I'm just honest
Lil Mexico for life, I'm just honest
I came up shooting dice, I'm just honest
Name another nigga hot I'm just honest
Gold bottles on bottles, I'm just honest
A hundred thousand on watches I'm just honest
Coupes all on coupes, I'm just honest
I keep a gang of bad bitches with me too
And we ain't never going back to what we used to do
I was gon lie to you but I had to tell the truth
I'm just being honest
