

# Don't Forget Me (Live In Hyde Park)

## Red Hot Chili Peppers

I'm an ocean in your bedroom  
Make you feel warm  
Make you want to re-assume  
Now we know it all for sure I'm a dance hall dirty break beat  
Make the snow fall  
Up from underneath your feet  
Not alone, I'll be there  
Tell me when you want to go I'm a meth lab first rehab  
Take it all off  
And step inside the running cab  
There's a love that knows the way I'm the rainbow in your jail cell  
All the memories of  
Everything you've ever smelled  
Not alone, I'll be there  
Tell me when you want to go Sideways falling  
More will be revealed my friend  
Don't forget me  
I can't hide it  
Come again get me excited I'm an inbred and a pothead  
Two legs that you spread  
Inside the tool shed  
Now we know it all for sure I could show you  
To the free field  
Overcome and more  
Will always be revealed  
Not alone, I'll be there  
Tell me when you want to go Sideways falling  
More will be revealed my friend  
Don't forget me  
I can't hide it  
Come again get me excited I'm the bloodstain  
On your shirt sleeve  
Coming down and more are coming to believe  
Now we know it all for sure Make the hair stand  
Up on your arm  
Teach you how to dance  
Inside the funny farm  
Not alone, I'll be there  
Tell me when you want to go I'll be there to tell me when you want to go

Come on baby tell me when you want to go  
More will be revealed my friend
