# Message In A Bottle

## Leatherface

Just cast away and I am lost at sea
Another lonely day and no one here but me
More loneliness than any man could bare
Rescue me before I fall into despair
I send an SOS to the world
I send an SOS to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my
Message in a bottle
Message in a bottle
Message in a bottle
A year has passed since I wrote my note
I should have known it right from the start
Only hope can keep me together
Love can mend your life but love can break your heart
I send an SOS to the world
I send an SOS to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my
Message in a bottle
Message in a bottle, hey
Message in a bottle, bottle
Walked out this morning, I don't believe what I saw
A hundred billion bottles washed up on the shore
It seems I'm not alone at being alone
A hundred million castaways, all looking for a home
I send an SOS to the world
I send an SOS to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my
Message in a bottle
Message in a bottle, yeah
Message in a bottle, hey
