Love Hungry

Warner Mack

If we took all the time that we spent fussin' and fightin'
And turned all those hours into love
Well I'm sure the things you'd find would be sorta frightenin'
Cause it seems like you've forgot what I'm made of
And I'm love hungry love hungry got sweet lovin' on my mind
Yeah I'm love hungry love hungry and everybody's gotta be loved sometime
[guitar]
You keep a raising cane sayin' I'm no good and I'm lazy
Telling me I'm never home on time
Baby what makes you think that I wanna pick your daisies
When you never have sweet lovin' on your mind
And I'm love hungry...
Don't you know it baby
Everybody's gotta be loved sometime
