Teddy Bear

Toy-Box

Mon cheri, baby
Let us light a candlelight
Voulez-vous couche
'Cause it's cozy here tonightAha, you're wearing Calvin Klein
And I am not a fool
There must be something in the wine
'Cause I think I love youKiss me here, and kiss me there
I want to be your little teddy bear
Kiss me here, and touch me there
Come on and show me that you really careMon cheri, baby
I am burning for your touch
Je ne sais pas pourquoi
But I really missed you muchMy God, you're wearing Calvin Klein
Is this a deja-vu?
There must be something in the wine
'Cause I feel for youKiss me here, and kiss me there
I want to be your little teddy bear
Kiss me here, and touch me there
Come on and show me that you really careBaby, I'll never let you down
'Cause the first time I saw you,
I was like wow!
So don't talk, just kissKiss me here, and kiss me there
I want to be your little teddy bear
Kiss me here, and touch me there
Come on you sexy little teddy bear
