

Singing Bridges (We All Fall)

Matchbook Romance

So unpredictable and I'm so typical
I tried to sell you a heart before you saw the world
I will sing a melody until the fluid starts chokin' me
And when my eyes are paralyzed I'll stare up at you, my star
That I could never reach I'll wait for you if you want me to
I promise you I won't change a thing
I won't be any more or any less
Your secret's safe, I'll take it to my...So unpredictable and I'm, I'm so typical
I keep tearing away at the skin to see what's underneath
I will sing a melody until the fluid starts chokin' me
And when my eyes are paralyzed I'll stare up at you, my star.
That I could never reach I'll wait for you if you want me to
I promise you I won't change a thing
I won't be any more or any less
Your secret's safe, I'll take it to my
Grave Oh
I'll wait for you if you want me to
I promise you I won't change a thing
I won't be any more or any less
Your secret's safe, I'll take it to my
Grave
