

# If You're Happy and You Know It

## Dora the Explorer

If your happy and you know it clap your hands (clap)  
if your happy and you know and your face would really show it if you happy and you clap your hands (clap)

if your happy and you know it stomp your feet (stomp)  
if your happy and you know it and your face would really show it if your happy and you know it stomp your  
feet (stomp)

if our happy and you know it say ole (ole)  
if your happy and you know it and your face would really show it if your happy and you know it say ole (ole)

if your happy and you know it do all three (clap,stomp, ole)  
If your happy and you know it and your face would really show it if your happy and you know it do all  
three(clap, stomp,ole)
