Intercranial Semen Injection

Ingested

I'm slicing her flesh, hack through her, neckbone.
Blade crunches right through
her jawline, prepare her for my cock.
Forcing her down, face to the fucking ground.
I kill her so quick that she can't make a sound.
Cut off her head, fuck that instead.
Stumps are much better than cunts.
Decapitate, I fuck them while they rot.
Ejaculate, my name is the one you fear.
Her skull is full of cum, I'm deep inside,
my dick is feeling numb.
From pounding at her fucking severed neck.
Forcing her down, face to the fucking ground.
I kill her so quick that she can't make a sound.
Cut off her head, fuck that instead.
Stumps are much better than cunts.
My dick is wedged inside her throat.
Blood is seeping, it's dripping down my balls.
Reaching climax, my cum shoots out her mouth.
Gorge, my, cock.
Semen seeping from her eyes
my meat is crammed inside.
Victims, every woman's a target,
snap their necks, tear their heads off.
Rape them, through their throats a reverse blow job.
I can't control, myself.
Severed, and rotting, and seeping,
with blood and jizz from every hole.
Deceased rapings.
