

# Love

## David Choi

Words like love and happiness  
Never seem to stand up baby  
When you put 'em to the test yea  
You say that your a poet, that you loves a work of art

Well you can't play love by numbers baby gotta play it all by heart  
Baby, baby, baby, baby  
It happens all the time  
How you play me, play me, play me

Playin' with my mind  
Baby, baby, baby, baby  
Makin' me go crazy  
And if you call that love then love should be a crime

Honesty, bites the dust  
Everytime I hear you sayin, love is never lust yea  
Did you read it in a book did you see it in a magazine  
Do you think that I'm some new age fool, do you think I'm so naive

Baby, baby, baby, baby  
It happens all the time  
How you play me, play me, play me  
Playin with my mind

Baby,baby, baby, baby  
Makin' me go crazy  
And if you call that love then love should be a crime  
You and me, suddenly

We got nothing to say  
But the words get in the way  
Baby, baby, baby, baby  
It happens all the time

How you play me, play me, play me  
Playin' with my mind  
Baby, baby, baby, baby  
Makin' me go crazy

And if you call that love then all it was  
Was a pocket full of nothing but a suicidal love  
And if you call that love then love should be a  
Crime
