

# Kiss Me Babe, It's Christmas Time

## Owl City

Well it's Christmas time, and i'm warm inside  
Despite the bitter cold  
Cause you're here with me, and I guarantee, my heart is yours to hold  
So we smile below, this mistletoe, as if we need a hint  
And the falling snow, well I bet it knows, how love can pull you in Oh oh oh (da da da da da)  
Little lights flash in your eyes (da da da da da)  
Growing by the fireside (da da da da da)  
Leaving presents on the floor (da da da da da)  
Cause you're the one i'm waiting for Oh let me lead the way this holiday Let's fly around the world tonight (oh  
oh yeah)  
Kiss me babe it's christmas time !  
I love the way you hold me tight (oh oh yeah)  
Kiss me babe it's christmas time ! (da da da da da)  
Little lights flash in your eyes (da da da da da)  
Kiss me babe it's christmas time ! (da da da da da)  
Can't fight the way I feel inside (da da da da da)  
Kiss me babe it's christmas time ! Oh let me lead the way this holiday Well it's Christmas time, and i'm warm  
inside  
Despite the bitter cold  
And it's crystal clear, that this Christmas cheer, is healthy for the soul (oh oh oh)(da da da da da)  
Little lights flash in your eyes (da da da da da)  
Growing by the fireside (da da da da da)  
Leaving presents on the floor (da da da da da)  
Cause you're the one i'm waiting for Oh let me lead the way this holiday  
This holiday Let's fly around the world tonight (oh oh)  
Kiss me babe it's christmas time !  
I love the way you hold me tight (oh oh yeah)  
Kiss me babe it's christmas time ! (da da da da da)  
Little lights flash in your eyes (da da da da da)  
Kiss me babe it's christmas time ! (da da da da da)  
Can't fight the way I feel inside (da da da da da)  
Kiss me babe it's christmas time ! Oh let me lead the way this holiday  
This holiday Let's fly around the world tonight (oh oh yeah)  
Kiss me babe it's christmas time !  
I love the way you hold me tight (oh oh yeah)  
Kiss me babe it's christmas time !
