

# Last Dance

Omar Akram

say hello to your last chance  
same as your first chance  
a kinder reminder from ozma  
say hello to the new sound  
same as the old sound  
so spin it, get in it, and stay  
i knew that the night had an end soon in sight until you called my name  
say hello when you've spied her  
sitting on the dryer  
it's spinning, 9th inning, so play  
say hello like a spider

weave a web right beside her  
spin it, get in it, and pray  
i knew that the night had an end soon in sight until you called my name  
i knew all along i was right but i'm wrong somehow you knew my name  
after the last dance, you lose your last chance  
after the last dance, you lose your last chance  
you lose your last chance  
you lose your last chance  
you've lost your last chance
