

# Sea Vessel Soliloquy

## 3rd Bass

Richard, yeah, boy, come here, let me speak to you  
What is this scatting and scratching bullshit  
[Incomprehensible]  
You ain't washing your own butt, boy  
You don't do your work, you don't do nothing  
Just scatting and scratching bullshitHow old are you? You're eighteen years old?  
At your age, boy, I was the captain of a ship  
I was the captain of a ship, boy  
I owned and operated my own sea vessel  
[Incomprehensible] bullshit  
[Incomprehensible], boy
