

Ghost (feat. Ian Astbury)

[Slash](#)

Kill the ghost that hides in your soul
Rock 'n' roll, rock 'n' roll
Rock 'n' rock Wipe the blood from your halo
[Incomprehensible] that you hide your shadow's pride
Spit in the face of the ugly clown
Who'll hunt you down but you can't hide
Exterminate the future Kill the ghost that hides in your soul
Kill the ghost that hides in your soul
Rock 'n' roll Whispers of the future
Broken [Incomprehensible] in your smile
Exterminate the future Kill the ghost that hides in your soul
Kill the ghost that hides in your soul You can't run from the future
Can't change the past
You're not that fast You can't run from the future
Can't change the past
Not that fast Kill the ghost that hides in your soul
Kill the ghost that hides in your soul Kill the ghost that hides in your soul
Kill, rock 'n' roll
