Stripped (Live Version)

Reamonn

And would you say you're in control?
Would you say I'm just your fool
Have you had other, had other men like me?
Have they pleased you, pleased you like I want to please?Do you think you got more than me?
Is it so hard to let go of been free?
Would you strip for now? Let's see you bare
Hold me, tell me that you really careAnd would you strip, strip for me?
And would you strip, strip for me?
And would you strip, strip for me?
And would you strip for me?Would you strip until you're bare?
Would you make love over there?
Show me that I've got some control
Hold me, tell me that I'm not your foolDo you believe in me?
And do you know my history?And would you strip, strip for me?
And would you strip, strip for me?
And would you strip, strip for me?
And would you strip for me?
