

Misery

Gwen Stefani

[Verse 1]

Where'd you go?

I got so used to being 'round you boy
I'm trying not to care, but where'd you go?

I'm doing my best to be sensible

I'm trying not to care, but[Pre-Chorus]

You're like drugs, you're like drugs to me

I'm so into you totally

You're like drugs, you're like drugs to me

Drugs to me[Chorus]

So put me out of my misery

Hurry up, come see me

Put me out of my misery

Hurry up, come see me

Enough, enough of this suffering

Hurry up, come see me

Put me out of my misery, put me out of my misery[Verse 2]

Out the door

I'm thinking things I never thought before

Like what your love would taste like

Give me more

Don't sell this feeling at the grocery store

All cause your love, it tastes like[Pre-Chorus]

You're like drugs, you're like drugs to me

I'm so into you totally

You're like drugs, you're like drugs to me

Drugs to me[Chorus]

So put me out of my misery

Hurry up, come see me

Put me out of my misery

Hurry up, come see me

Enough, enough of this suffering

Hurry up, come see me

Put me out of my misery, put me out of my misery[Bridge]

Put me out

O-out of my misery

Put me out

O-out of my misery

You're in so much trouble

(You better watch out)
Yeah, you're in so much trouble
(You better watch out)
You're in so much trouble
(You better watch out)
Yeah, you're in so much trouble
(You better watch out)
Oh[Chorus]
So put me out of my misery
Hurry up, come see me
Put me out of my misery (put me out)
Hurry up, come see me
Enough, enough of this suffering
Hurry up, come see me
Put me out of my misery, put me out of my misery
Put me out of my misery
Hurry up, come see me
Put me out of my misery
Hurry up, come see me
Enough, enough of this suffering
Hurry up, come see me
Put me out of my misery, put me out of my misery[Outro]
Put me out
(You're in so much trouble)
O-out of my misery
Put me out
(You're in so much trouble)
O-out of my misery
Put me out
(You're in so much trouble)
O-out of my misery
Put me out
(You're in so much trouble)
O-out of my misery
