Lollololololollllo

Nobody knows me when I'm down here
Nobody knows what I say
Nobody knows what I'm feeling
Nobody knows that I don't speak to anyone
Nobody knows that I get broken so easily
Nobody knows that I don't speak
Nobody knows when I get angry. Repetition
Turn and walk away
Nobody knows that I'm nobody
Nobody knows I'm okay
Because I'm free to live my dreams
Instead I'm treading water
Nobody wants to take my hand
