

Heartbeat

Anthony Callea

Your heartbeat is fading
It's traveling away
All I can do is listen
To my heartbeat
It's calling out your name
Don't know which turn
What road to take
'Cause I only ever needed one way to run
Here I am miles from where your heart beats[Chorus]
All I ever felt was power from you
Our rhythm of life all that I ever knew
All I'm feeling is the nothing inside
That leaves me incomplete Your heart beats a sunset
At the end of the day
I wait here in the darkness
For your heartbeat
To come back again
Don't know which turn
What road to take
'Cause I only ever needed one way to run
Here I am miles from where your heart beats[Chorus] Come back, I don't know how to live without you
Impossible, I won't make it through
Come back, I know I'm gonna fall without you
I feel so incomplete
With no heartbeat, it's frozen
It shivers, one last time
And I don't know which turn
What road to take
'Cause I only ever needed one way to run
Here I am miles from where your heart beats[Chorus]
All I ever felt was power from you
Our rhythm of life all that I ever knew
All I'm feeling is the nothing inside that leaves me incomplete
Don't leave me incomplete
Your heartbeat is fading, your heartbeat
